

## Flatrate

With the **profax flat rate** all of your students can train with all of profax's own learning modules at particularly favorable conditions. Teachers use the learning modules free of charge as part of the flat rate.

**ou let us know the number of apprentices you have – we'll put the offer on for you.**

Prices for Schweiz excluding MWST

### **profax** Minimal administrative effort

The **profax flat rate** reduces your administrative workload enormously:

- Simply create a user name and password for all students and teachers in your school unit.  
→ [Add Users](#)
- The learning modules of the flat rate are automatically allocated to all users overnight.

### **profax** Maximum offer

The **profax Flatrate** includes all of profax's own learning modules, including the learning modules from edufix GmbH to promote perception. New in-house developments are automatically included in the offer for the following two years.

This does not include learning offers from third-party providers such as Lehrmittelverlag Zürich, Klett & Balmer, INGOLDVerlag, hOHRizont and Junior.
