profax

Log in with camera - use QR code

The students scan their QR code with the camera and are logged in - without a password.
Fits on address labels 70 x 37 mm.

If the user's device has an integrated camera, simplified login to **profaxonline** via QR code is possible. The personal codes are provided by the person with admin rights via the user administration → Manual Chapter 4.3.

The students click on the symbol for the QR code and use it to activate the camera. They then scan the QR code with the camera to log in directly.

Attention
On iPads, you should open the iPad's camera app directly to scan the QR code.

Further topics in our video tutorials:

- Create users
- Create and manage groups
- Acquire credit
- Assign authorizations
- Use single sign-on
- Accompanying learning: Work plans and learning status
